

# Ensure compliance and maintain **your focus** by **outsourcing** this process-intensive task.

Few tasks are more mundane and less glamorous than filing and renewing business licenses. Yet few tasks are more critical to the success of your business. Without a properly filed license, operations are shut down, customer needs go unmet and your reputation takes a hit.

CorpSource can ensure your compliance and relieve the burden of this vital task with expert Business License Outsourcing.

## **Benefits of CorpSource Business License Outsourcing**

- peace of mind with consistent compliance
- a partner with comprehensive understanding of your specific license needs
- the ideal solution for companies with multiple locations, in multiple states or with complex licensing issues
- the administrative processes necessary to establish and maintain compliance
- the registration and reporting requirements to satisfy audits

## **Business License Outsourcing services include:**

- identification of legal and licensing filing requirements
- sourcing, completing and submitting licenses
- timeline and process management
- preparation of annual reports
- incorporation and formation
- registration and qualification
- withdrawals and dissolutions
- certificates of good standing
- reinstatements of revocations

## **Technology solutions provide:**

- development, organization and maintenance of a legal entity database
- database system, wizards, reports, reminders and document creation tools
- automation of payables
- filing online and funding with EFT
- management of workflow and renewals

### **Consider it done with CorpSource.**

We will research, prepare, track and archive all international, federal, state, county and municipal/jurisdictional business licenses.

## → About CorpSource

**CorpSource** combines the dynamic response and personal attention of a boutique firm, with the experience and capabilities of a Big 4 consultancy. We get things done – quickly and professionally.

We understand your Business License Outsourcing challenges firsthand. Before founding CorpSource, we spent more than 20 years working in the tax, legal and finance departments of Fortune 500 companies. We walked in your shoes and dealt with your issues. More importantly, we created the solutions to solve those issues. Right now, with a unique portfolio of technology tools and outsourcing strategies, we can streamline and optimize your business licensing processes.
